

Access Art

AccessArt Progression (Skills and Knowledge) for Primary Schools Years 1 to 6

Year 1	Purple = Substantive Knowledge		Green = Implicit Knowledge / Skills		www.accessart.org.uk	
Drawing	Sketchbooks	Printmaking	Painting	Collage	Making	Purpose/Visual Literacy/Articulation
Understand drawing is a physical activity. Spirals Understand there is a relationship between drawings on paper (2d) and making (3d). That we can transform 2d drawings into 3d objects. Making Birds Explore lines made by a drawing tool, made by moving fingers, wrist, elbow, shoulder and body. Work at a scale to accommodate exploration. Spirals Use colour (pastels, chalks) intuitively to develop spiral drawings. Spirals Pupils draw from paused film, observing detail using pencil, graphite, handwriting pen. Making Birds Pupils draw from first hand observation, observing detail using materials above plus pastel, oil pastel and or pencil crayon. Simple Printmaking	Introduce what a sketchbook is for. Understand it is owned by the pupil for experimentation and exploration. Spirals Make a simple elastic band sketchbook. Personalise it. Spirals Use sketchbooks to: Develop experience of primary and secondary colours Spirals Exploring Watercolour Practice observational drawing Spirals Making Birds Explore mark making Spirals Exploring Watercolour Making Birds		Understand watercolour is a media which uses water and pigment. Exploring Watercolour Understand we can use a variety of brushes, holding them in a variety of ways to make watercolour marks. Exploring Watercolour Explore watercolour in an intuitive way to build understanding of the properties of the medium. Exploring Watercolour Paint without a fixed image of what you are painting in mind. Exploring Watercolour Respond to your painting, and try to “imagine” an image within. Exploring Watercolour Work back into your painting with paint, pen or coloured pencil to develop the imaginative imagery. Exploring Watercolour	Understand collage is the art of using elements of paper to make images. Making Birds Understand we can create our own papers with which to collage. Making Birds Combine collage with making by cutting and tearing drawn imagery, manipulating it into simple 3d forms to add to sculpture. Making Birds	Understand that sculpture is the name sometimes given for artwork which exists in three dimensions. Making Birds Understand the meaning of “Design through Making” Making Birds Use a combination of two or more materials to make sculpture. Making Birds Use construction methods to build. Making Birds Work in a playful, exploratory way, responding to a simple brief, using Design through Making philosophy. Making Birds	Look at the work of artists who draw, sculptors, and painters, listening to the artists’ intention behind the work and the context in which it was made. Understand we may all have different responses in terms of our thoughts and the things we make. That we may share similarities. Understand all responses are valid. All Pathways for Year 1 Reflect upon the artists’ work, and share your response verbally (“I liked...”). Present your own artwork (journey and any final outcome), reflect and share verbally (“I enjoyed... This went well”). Some children may feel able to share their response about classmates work. All Pathways for Year 1

Year 2	Purple = Substantive Knowledge		Green = Implicit Knowledge / Skills		www.accessart.org.uk	
Drawing	Sketchbooks	Printmaking	Painting	Collage	Making	Purpose/Visual Literacy/Articulation
Use drawing exercises to focus an exploration of observational drawing (of objects above) combined with experimental mark making, using graphite, soft pencil, handwriting pen. Be an Architect Work with care and focus, enjoying making drawings which are unrushed. Explore quality of line, texture and shape. Explore Through Monoprint	Continue to build understanding that sketchbooks are places for personal experimentation. Understand that the way each persons' sketchbook looks is unique to them. All Pathways for Year 2 Work in sketchbooks to: Explore the qualities of different media. Explore Through Monoprint Be an Architect Make close observational drawings of small objects, drawn to scale, working slowly, developing mark making. Explore & Draw Explore Through Monoprint Explore colour and colour mixing. Expressive Painting Music & Art Make visual notes about artists studied. Explore Through Monoprint Be an Architect	Understand mono prints or mono types are prints made by drawing through an inked surface, transferring the marks on to another sheet. Explore Through Monoprint Transfer the skills learnt in drawing and sketchbooks to mono print by making monoprints using carbon copy paper (and or oil pastel prints), exploring the qualities of line. Explore Through Monoprint	Understand that some painters use expressive, gestural marks in their work, often resulting in abstract, expressionist painting. Expressive Painting Understand that the properties of the paint that you use, and how you use it, will affect your mark making. Expressive Painting Understand that primary colours can be mixed together to make secondary colours of different hues. Expressive Painting Understand the concept of still life. Expressive Painting Explore colour mixing through gestural mark making, initially working without a subject matter to allow exploration of media. Experiment with using home made tools. Expressive Painting Create an arrangement of objects or elements. Use as the focus for an abstract still life painting using gestural marks using skills learnt above. Expressive Painting		Understand the role of an architect. Be an Architect Understand when we make sculpture by adding materials it is called Construction. Be an Architect S Use the Design through Making philosophy to construct with a variety of materials to make an architectural model of a building, considering shape, form, colour, and perspective. Consider interior and exterior. Be an Architect Use Design through Making philosophy to playfully construct towards a loose brief. Be an Architect	Understand artists take their inspiration from around them, collecting and transforming. Understand that in art we can experiment and discover things for ourselves. Look at the work of a printmaker, an architect, and artists and learn to dissect their work to help build understanding. Understand how the artists experience feeds into their work. Understand we may all have different responses in terms of our thoughts and the things we make. That we may share similarities. Understand all responses are valid. All Pathways for Year 2 Reflect upon the artists' work, and share your response verbally ("I liked..."). Present your own artwork (journey and any final outcome), reflect and share verbally ("I enjoyed... This went well"). Talk about intention. Share responses to classmates work, appreciating similarities and differences. Document work using still image (photography) or by making a drawing of the work. If using photography consider lighting and focus. Some children may make films thinking about viewpoint, lighting & perspective. All Pathways for Year 2

Year 3	Purple = Substantive Knowledge		Green = Implicit Knowledge / Skills		www.accessart.org.uk	
Drawing	Sketchbooks	Printmaking	Painting	Collage	Making	Purpose/Visual Literacy/Articulation
Understand that animators make drawings that move. Understand that artists and illustrators interpret narrative texts and create sequenced drawings. Storytelling Through Drawing Create owned narratives by arranging toys in staged scenes, using these as subject matter to explore creation of drawings using charcoal and chalk which convey drama and mood. Use light and portray light/shadow. Storytelling Through Drawing Interpret poetry or prose and create sequenced images in either an accordion or poetry comic format. Work in a variety of media according to intention, including handwriting pen, graphite or ink. Storytelling Through Drawing Use a variety of drawing media including charcoal, graphite, wax resist and watercolour to make observational and experimental drawings. To feel able to take creative risks in pursuit of creating drawings with energy and feeling. Storytelling Through Drawing	Continue to build understanding that sketchbooks are places for personal experimentation. All Pathways for Year 3 Understand that the way each persons' sketchbook looks is unique to them. All Pathways for Year 3 Make a new sketchbook (Elastic Band of Hole Punch) OR make Spaces and Places inside a bought sketchbook. All Pathways for Year 3 Work in sketchbooks to: Brainstorm animation ideas. Working with Shape & Colour Practise drawing skills. Storytelling Through Drawing Make visual notes to record ideas and processes discovered through looking at other artists. Storytelling Through Drawing Test and experiment with materials. Storytelling Through Drawing Reflect. Storytelling Through Drawing	Understand that screen prints are made by forcing ink over a stencil. Working with Shape & Colour Understand that mono print can be used effectively to create prints which use line. That screen prints can be used to create prints which use thicker lines and / or shapes. Working with Shape & Colour Use mono print or screen print over collaged work to make a creative response to an original artwork. Consider use of layers to develop meaning. Working with Shape & Colour	Understand that we can create imagery using natural pigments and light. Telling Stories Use paint, mixing colours, to complete the sculpture inspired by literature (see column 6 "making"). Telling Stories	Understand that we can combine collage with other disciplines such as drawing, printmaking and making. Working with Shape & Colour Cut shapes from paper (free hand) and use as elements with which to collage, combined with printmaking (see column 3 "printmaking") to make a creative response to an original artwork. Explore positive and negative shapes, line, colour and composition. Working with Shape & Colour	Understand that many makers use other artforms as inspiration, such as literature, film, drama or music. Telling Stories Understand that when we make sculpture by moulding with our fingers it is called modelling (an additive process). Telling Stories That clay and Modroc are soft materials which finally dry/set hard. Telling Stories An armature is an interior framework which support a sculpture. Telling Stories Use Modroc or air dry clay to model characters inspired by literature. Consider form, texture, character, structure. Telling Stories Make an armature to support the sculpture. Telling Stories	To understand that visual artists look to other artforms for inspiration. Look at the work of an artist who uses gestural marks which convey movement, illustrators and makers who take inspiration from literature, painters who also use textiles and artists who animate their work. Understand artists often collaborate on projects, bringing different skills together. Deconstruct and discuss an original artwork, using the sketchbooks to make visual notes to nurture pupils own creative response to the work. Understand we may all have different responses in terms of our thoughts and the things we make. That we may share similarities. Understand all responses are valid. All Pathways for Year 3 Reflect upon the artists' work, and share your response verbally ("I liked... I didn't understand... it reminded me of..."). Present your own artwork (journey and any final outcome), reflect and share verbally ("I enjoyed... This went well... I would have liked... next time I might..."). Talk about intention. Work collaboratively to present outcomes to others where appropriate. Present as a team. Share responses to classmates work, appreciating similarities and differences. Listen to feedback about your own work and respond. Document work using still image (photography) or by making a drawing of the work. If using photography consider lighting and focus. Some children may make films thinking about viewpoint, lighting & perspective. All Pathways for Year 3

Year 4	Purple = Substantive Knowledge	Green = Implicit Knowledge / Skills	www.accessart.org.uk	
Drawing	Sketchbooks	Painting	Making	Purpose/Visual Literacy/Articulation
Understand that charcoal is a drawing medium that lends itself to loose, gestural marks made on a larger scale. Gestural Drawing with Charcoal Understand charcoal and earth pigment were our first drawing tools as humans. Gestural Drawing with Charcoal Know that Chiaroscuro means “light/dark” and we can use the concept to explore tone in drawings. Gestural Drawing with Charcoal Make marks using charcoal using hands as tools. Explore qualities of mark available using charcoal. Gestural Drawing with Charcoal Make charcoal drawings which explore Chiaroscuro and which explore narrative/drama through lighting/shadow (link to drama). Gestural Drawing with Charcoal Option to explore making gestural drawings with charcoal using the whole body (link to dance). Gestural Drawing with Charcoal	Understand that artists use sketchbooks for different purposes and that each artist will find their own ways of working in a sketchbook. All Pathways for Year 4 Use sketchbooks to: Practise drawing skills. Exploring Still Life Sculpture & Structure Make visual notes to record ideas and processes discovered through looking at other artists. Exploring Still Life Sculpture & Structure Test and experiment with materials. Exploring Still Life Sculpture & Structure Brainstorm pattern, colour, line and shape. Exploring Still Life Reflect. Exploring Still Life Sculpture & Structure Explore the qualities of charcoal. Gestural Drawing with Charcoal Make visual notes using a variety of media using the “Show Me What You See” technique when looking at other artists work to help consolidate learning and make the experience your own. Gestural Drawing with Charcoal Develop mark making skills. Gestural Drawing with Charcoal	Understand that still life name given to the genre of painting (or making) a collection of objects/elements. Exploring Still Life That still life is a genre which artists have enjoyed for hundreds of years,, and which contemporary artists still explore today. Exploring Still Life To explore colour (and colour mixing), line, shape, pattern and composition in creating a still life. To consider lighting, surface, foreground and background. Exploring Still Life To use close observation and try different hues and tones to capture 3d form in 2 dimensions. (Option to use collage from painted sheets). Exploring Still Life Options to work in clay, making reliefs inspired by fruit still lives, or make 3d graphic still lives using ink and foamboard. Exploring Still Life	To understand that make sculpture can be challenging. To understand its takes a combination of skills, but that we can learn through practice. That it is ok to take creative risks and ok if things go wrong as well as right. Sculpture & Structure Develop our construction skills, creative thinking and resilience skills by making sculpture which combines lots of materials. Use tools to help us construct and take creative risks by experimenting to see what happens. Use Design through Making philosophy and reflect at all stages to inform future making. Sculpture & Structure	Look at the work of illustrators and graphic artists, painters and sculptors. Understand the processes, intentions an outcomes of different artists, using visual notes in a sketchbook to help consolidate and own the learning. Understand artists often collaborate on projects, bringing different skills together. Deconstruct and discuss an original artwork, using the sketchbooks to make visual notes to nurture pupils own creative response to the work. Understand we may all have different responses in terms of our thoughts and the things we make. That we may share similarities. Understand all responses are valid. All Pathways for Year 4 Reflect upon the artists’ work, and share your response verbally (“I liked... I didn’t understand... it reminded me of... It links to...”). Present your own artwork (journey and any final outcome), reflect and share verbally (“I enjoyed... This went well... I would have liked... next time I might.. I was inspired by....). Talk about intention. Work collaboratively to present outcomes to others where appropriate. Present as a team. Share responses to classmates work, appreciating similarities and differences. Listen to feedback about your own work and respond. Document work using still image (photography) or by making a drawing of the work. If using photography consider lighting and focus. Some children may make films thinking about viewpoint, lighting & perspective. All Pathways for Year 4

Year 5	Purple = Substantive Knowledge		Green = Implicit Knowledge / Skills	www.accessart.org.uk	
Drawing	Sketchbooks	Printmaking	Painting	Making	Purpose/Visual Literacy/Articulation
Understand that designers create fonts and work with Typography. Typography & Maps Understand that some artists use graphic skills to create pictorial maps, using symbols (personal and cultural) to map identity as well as geography. Typography & Maps Create fonts inspired by objects/elements around you. Use close observational drawing with pen to inspire, and use creative skills to transform into letters. Typography & Maps Draw over maps/existing marks to explore how you can make mark making more visually powerful. Typography & Maps Combine drawing with making to create pictorial / 3 dimension maps which explore qualities of your personality or otherwise respond to a theme. Explore line weight, rhythm, grip, mark making and shape, and explore how 2d can become 3d through manipulation of paper. Typography & Maps	Use sketchbooks to: Explore mark making. Typography & Maps Make visual notes to capture, consolidate and reflect upon the artists studied. Typography & Maps Architecture: Big or Small Explore ideas relating to design (though do not use sketchbooks to design on paper), exploring thoughts about inspiration source, materials, textures, colours, mood, lighting etc. Architecture: Big or Small Explore what your passions, hopes and fears might be. What makes you you? How can you find visual equivalents for the words in your head? Exploring Identity Explore combinations and layering of media. Exploring Identity Develop Mark Making Exploring Identity Make visual notes to capture, consolidate and reflect upon the artists studied. Exploring Identity	Explore what kinds of topics or themes YOU care about. Articulate your fears, hopes, dreams. Think about what you could create (possibly working collaboratively) to share your voice and passion with the world. Exploring Identity	Explore how we can use layers (physical or digital) to explore and build portraits of ourselves which explore aspects of our background, experience, culture and personality. Exploring Identity Make independent decisions as to which materials are best to use, which kinds of marks, which methods will best help you explore. Exploring Identity	Understand that architects and other artists have responsibilities towards society. Understand that artists can help shape the world for the better. Architecture: Big or Small Understand that designers & makers sometimes work towards briefs, but always brings their own experience in the project to bear. Exploring Identity Understand that artists and designers add colour, texture, meaning and richness to our life. Exploring Identity Use Design through Making and scale models to create a piece of architecture which would make the world a better place. Use a combination of materials, construction methods and tools. Reflect as part of the building process so that you can understand how your intention relates to the reality of what you are building. Architecture: Big or Small	Look at the work of designers, artists, animators, architects. Understand the processes, intentions and outcomes of different artists, using visual notes in a sketchbook to help consolidate and own the learning. Understand we may all have different responses in terms of our thoughts and the things we make. That we may share similarities. Understand all responses are valid. All Pathways for Year 5 Reflect upon the artists' work, and share your response verbally ("I liked... I didn't understand... it reminded me of... It links to..."). Present your own artwork (journey and any final outcome), reflect and share verbally ("I enjoyed... This went well... I would have liked... next time I might... I was inspired by..."). Talk about intention. Work collaboratively to present outcomes to others where appropriate. Present as a team. Share responses to classmates work, appreciating similarities and differences. Listen to feedback about your own work and respond. Document work using still image (photography) or by making a drawing of the work. If using photography consider lighting and focus. Some children may make films thinking about viewpoint, lighting & perspective. Discuss the ways in which artists have a responsibility to themselves/society. What purpose does art serve? All Pathways for Year 5

Year 6	Purple = Substantive Knowledge		Green = Implicit Knowledge / Skills		www.accessart.org.uk
Drawing	Sketchbooks	Printmaking	Painting	Making	Purpose/Visual Literacy/Articulation
Understand that there is often a close relationship between drawing and making. Understand that we can transform 2d drawings into 3d objects. 2D to 2D Understand that graphic designers use typography and image to create packaging which we aspire to use. 2D to 2D Understand that there are technical processes we can use to help us see, draw and scale up our work. 2D to 2D Explore using negative and positive space to “see” and draw a simple element/object. 2D to 2D Use the grid system to scale up the image above, transferring the image onto card. 2D to 2D Use collage to add tonal marks to the “flat image”. 2D to 2D	Use sketchbooks to: Practise seeing negative and positive shapes. 2D to 2D Using the grid method to scale up an image. 2D to 2D Explore colour: make colours, collect colours, experiment with how colours work together. Activism Brave Colour Develop Mark Making Activism 2D to 2D Make visual notes to capture, consolidate and reflect upon the artists studied. Activism 2D to 2D Brainstorm ideas generated when reading poetry or prose. Making MonoTypes Make visual notes to capture, consolidate and reflect upon the artists studied. Making MonoTypes	Understand that mono types are single monoprints. Understand that artists sometimes use printmaking to create a larger artwork, e.g. an installation or an artists book. Making MonoTypes Combine mono type with painting and collage to make an “artists book” inspired by poetry or prose. Explore colour, mixing different hues, and explore composition, working with different shaped elements, before using mono print to layer lines and marks. Making MonoTypes	Understand that the fabrics used to make clothes have been designed by someone. That there is a relationship between 2d shape and pattern and 3d form and function. See column 3 “printmaking” to explore how print is combined with paint and collage to create a cohesive artwork. Making MonoTypes	Understand that artists use a variety of media including light and sound as well as physical media to create installations. Understand that installations are often immersive, enabling the viewer to enter the artwork. Brave Colour Understand that artists and designers add colour, texture, meaning and richness to our life. Brave Colour Use the device of scaled model to imagine what your installation might be, working in respond to a brief or “challenge” to enable a viewer to “have a physical experience of colour.” Brave Colour Use a variety of materials, including light and sound, to make a model of what you would build. Think about structure of space, how the viewer would enter, what they would see, feel, hear. Use colour in a brave and bold way, reflecting upon how this might make the viewer feel. Brave Colour	Look at the work of designers, artists, art activists, installation artists, craftspeople and puppeteers. Understand that artists use art to explore their own experience, and that as viewers we can use our visual literacy skills to learn more about both the artist and ourselves. Understand we may all have different responses in terms of our thoughts and the things we make. That we may share similarities. Understand all responses are valid. All Pathways for Year 6 Reflect upon the artists’ work, and share your response verbally (“I liked... I didn’t understand... it reminded me of... It links to...”). Present your own artwork (journey and any final outcome), reflect and share verbally (“I enjoyed... This went well... I would have liked... next time I might.. I was inspired by....”). Talk about intention. Work collaboratively to present outcomes to others where appropriate. Present as a team. Share responses to classmates work, appreciating similarities and differences. Listen to feedback about your own work and respond. Document work using still image (photography) or by making a drawing of the work. If using photography consider lighting and focus. Some children may make films thinking about viewpoint, lighting & perspective. All Pathways for Year 6
