

My Focus Tools Charter

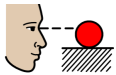

Name: _____

Date: _____

Focus tools help me stay calm, focused, and ready to learn. I promise to use my focus tools responsibly and respectfully.

☒ My focus tool is not a toy — it is only to be used during listening times.

☒ My focus tool will help me to focus my attention on the lesson and my teacher.

☒ I can hold my focus tool in my hand whilst I look at the board and the person speaking.

☒ I need to keep my focus tool to myself and not distract others.

☒ If I am not using the focus tool in the agreed ways, then it may be taken away.

☒ When I am about to start work, I will put my focus tool into our class focus tool box.
