

William Shakespeare Class 2024-2025 'Housekeeping' – Summer Term, 2025

PE

We will have PE on a Wednesday and a Friday, with Mrs Antliff providing the coaching. Children should come to school in their PE kit on PE days. PE kit is a plain white, or house colour, t-shirt, PE shorts and trainers. Football kits, and clothes with logos, are not acceptable. The children can bring a tracksuit to wear outside, if they wish. Plimsolls/gym shoes should be provided, for use in the Hall (not 'trainers,' please, as they dirty and damage the hall floor). **Earrings must be removed at home on PE days please.** On PE days your child **must** come into school in their school shoes and then change into their PE trainers/outdoor shoes for playtime and lunchtime. It is recommended that a spare PE kit should be left in school. Year 6 Leavers Hoodies should not be worn for outside PE sessions.

COATS/UNIFORM

Please could you ensure that your child is wearing appropriate uniform for the weather. This could include a hat or cap for when it is sunny. Prescription sunglasses can be worn if prescribed by an optician. If your child needs sun cream lotion, please ensure it is applied before school. Please make sure your child's items are clearly labelled as this will avoid children losing their belongings.

OUTDOOR FOOTWEAR

Children should bring outdoor footwear (**different to their school shoes**) to change into for PE, playtimes and lunchtimes. These outdoor shoes can be kept in school for the term or brought in on a daily basis. Appropriate outside break time footwear are Velcro trainers (or with laces for those who can tie them independently). **Please ensure that if your child has laces, they can tie them.**

READING

We promote a love of reading at our school and aim to hear each child read as regularly as possible, as well as in our Whole Class reading sessions. We have recently purchased new high-quality texts for each of our classes, these will be our 'recommended reads'; **high quality, age appropriate texts covering a range of genres.** Children will have a library 'fun' book and a '**recommended read.**' The recommended read is the book which adults will listen to the children read, whilst the 'fun' book is a book chosen as a reading for pleasure book. **Please encourage your children to bring their books home with them and share these together.** Our adults will regularly check reading records to monitor reading at home and school.

WATER BOTTLES

The children can bring in a named bottle of water each day. We ask that children only bring water into the classroom. If your child does not like the taste of water, we would recommend adding fruit to their water, keeping their drink healthy and avoiding sticky spills in our school. Healthy juice can be part of their lunch in the Hall.

PLAYTIME SNACKS

Children can bring in a healthy snack or piece of fruit from home to eat at playtime. Nothing like confectionery or crisps, please!

HOMEWORK

Homework will be set on a Friday and must be returned to school by the following Friday. There will be a piece of English, a piece of reading and a piece of Maths each week. Reading should be done daily at home too, and there may be occasional 'extra' homework too!
