

What I have already learnt in Spring Term

Animals Around the World

- To locate and name the seven continents
- To identify and use vocabulary linked to the world's seas and oceans.
- To learn about hot and cold places in relation to the Earth's equator.
- To learn about animals in different seasons.
- To learn about national animals of various countries.
- To investigate animals in our local area.

Map Checklist

Map title ☐

Symbols ☐

A key ☐

Key features ☐

Summer Term

Map Makers

- Using fieldwork and observational skills.
- using a compass and aerial photographs
- Using and creating a map/plan and 3D model using symbols for key features.

compass points	An instrument for showing direction.
aerial photographs	A photograph taken from the air.
perspective	a way of showing objects on the flat surface of a picture so that they seem the correct size and distance from one another.
landmarks	A historic building, important place.
symbols	Object or picture to represent something.
key	A little box of information found at the bottom of a map. It contains an explanation of what the different lines and symbols on the map mean.
human features	Something built by humans.
city	A place where people live that is larger than a town.
town	A place where people live that is smaller than a city but bigger than a village.
village	A small community in a countryside area.

A map is a picture, chart or diagram which shows information about an area often showing the location of streets, buildings or natural features such as rivers, hills and mountains.

What will we be learning in Year 3?

Our European Neighbours

- Locate Europe, identify its features.
- The countries of Europe.
- The flags, human and physical features of the countries of Europe.
- identify and locate the major cities of Europe and discuss their features.
- Compare 2 cities(eg - Paris and London or Berlin)

This is called a compass rose.

A person who draws or makes maps is called a cartographer.

They often use aerial photographs or satellite images to help them draw their maps.
