

What I have already learnt in Spring Term

Animals Around the World

- To locate and name the seven continents
- To identify and use vocabulary linked to the world's seas and oceans.
- To learn about hot and cold places in relation to the Earth's equator.
- To learn about animals in different seasons.
- To learn about national animals of various countries.
- To investigate animals in our local area.

Summer Term

Seas and Coasts

- To locate and identify oceans and continents.
- To find out about British beaches.
- To find out about British seas.
- To use fieldwork skills to find out about a place.
- To compare a British beach with one from another country.
- To use compass points to move around a map.

What will we be learning in Year 3?

Our European Neighbours

- Locate Europe, identify its features.
- The countries of Europe.
- The flags, human and physical features of the countries of Europe.
- Identify and locate the major cities of Europe and discuss their features.
- Compare 2 cities (eg - Paris and London or Berlin)

Vocabulary

Sea
Coast
Continent
Beach
British
North
South
East
West

Physical features are things that occur naturally, like trees, rivers and mountains.

Human features are things that don't occur naturally, such as roads, shops and harbours.
