

Reading

During Little Wandle Guided Reading, your child will read with an adult in school three times a week. However, it is still important that they continue to read regularly at home. Reading at home helps children to build fluency, improve vocabulary, develop comprehension and grow in confidence. Even 10-15 minutes a day can make a big difference. Thank you for your continued support in helping your child become a confident and enthusiastic reader!

PE

We have PE every **Friday**. Your child needs to come to school in their PE kits, but wearing their school shoes please. We have Dance Tuesday for the first half term. This begins the week commencing the 7th September.

Outdoor Footwear

Children should bring outdoor footwear (trainers) to change into to go onto the school field at playtimes and lunchtimes. These can then be worn as PE shoes.

Homework

Homework will be handed out every Friday and marked the following Friday.

Snack Time

Children may bring a healthy snack (some fruit or plain biscuit) for snack times. Please bring a named water bottle for the classroom.

Medication

If children have medication such as inhalers that they need in school, please give it to us to keep in the class Medical Box. Please also ensure that you send into school an updated asthma plan. The inhaler will then be available to the children in school and on trips.

Active Ants

Autumn 2026

Geography- We will be learning about what a city is and what life is like for those that live there.

History- We will be learning about Remembrance Day and why it is important.
